Del-Val

DELIVERING VALUE

DEL-VAL CLEANER & DEGREASER

Features

- ▶ All Biodegradable Formula
- ▶ Noncorrosive, & Safe for All Metal Surfaces
- ▶ Strong, Fresh and Clean Citrus Scent

Benefits

- ▶ The Strength of a Petroleum Product in an environmentally safe formula
- ▶ Contains no hazardous ingredients as defined by OSHA regulations

Description

Del-Val Orange Cleaner & Degreaser is an amazing, all-natural citrus extract solvent, degreaser and deodorizer! Designed specifically as a cleaner for users of our roofing products, it is also great for a multitude of other industrial and institutional applications. **Del-Val Orange Cleaner & Degreaser** uses micro-micellular technology to blend Dextro-limonene and other premium citrus extracts which are mixed with ionic emulsifiers, to produce the best theoretical cleaning ability with maximum emulsification properties. In other words, this is some great stuff for cleaning all sorts of things!

Uses

Del-Val Orange is great for tar & asphalt removal on various substrates, tools and a host of other materials. Trust **Del-Val Orange** to be your finishing agent on jobsites to remove drips or accidental spills or smudges and confidently walk your customer on a final inspection surrounded by a fresh, citrus aroma. **Del-Val Orange** is also great for removing stains from concrete, degreasing machinery and tools and cleaning grease traps and sewer plants, among many other applications (see reverse side)!

Application

Tar & Asphalt Removal: To emulsify tar, asphalt, bitumen and asphalt-based plastic cement, apply undiluted to the soiled surface by spraying, mopping or pouring. Allow to stand 2–4 minutes for deep penetration, agitate if necessary. Rinse with water; preferably under pressure.

Concrete Stain Removal: To remove oil stains from concrete driveways, pour or spray Del-Val Cleaner & Degreaser directly on stain. Allow 3–5 minutes for stain to dissolve and then rinse off.

TOOLS NEEDED

PACKAGING SIZES

HAZARDOUS TO HUMANS AND DOMESTIC ANIMALS CAUTION

Causes eye irritation. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling.

First Aid: IF IN EYES: Hold eye open and rinse slowly with water for 15 or 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

Call a POISON CONTROL CENTER or doctor for further advice.

KEEP A BOTTLE IN YOUR TRUCK, UNDER YOUR SINK AND IN YOUR GARAGE; THE USES ARE ENDLESS!

All-Purpose Degreasing: (Concrete floors, grills and hoods, machinery, etc.) Spray or sponge on, allow to stand 2–4 minutes before rinsing with clean water.

Bumper Sticker & Decal Removal: Pour **Del-Val Orange** on cloth and apply to area being cleaned. Rub until adhesive is removed.

Citrus-Scented Odor Control: Space Spray – Spray mist into air to help control malodors. Surface Spray – Spray to lightly wet source of malodor.

Drain Declogging: For drains stopped up due to grease accumulations, pour 4 ounces of concentrate directly into drain. Allow to stand 10 minutes, wash down with hot water. If not completely cleared, repeat. Same procedure is used for bathroom sinks and tubs.

Drain Line Maintainer: **Del-Val Orange** deodorizes and liquefies grease and scum which cause clogging. Add 3–4 ounces to each drain and let stand 5–10 minutes, then flush with hot water for 2 minutes.

Engine & Motor Degreasing: Brush or spray concentrate on surface to be cleaned. Allow 3–5 minutes to soak in. Rinse with hot water or steam off.

Garbage Trucks & Dumpster Cleaning/Degreasing: Mix 1 gallon of **Del-Val Orange** to 20 gallons of warm water. Spray the solution on surface to be cleaned or degreased. Let stand for 2–3 minutes. If necessary, agitate with a brush, then hose off with water.

General Purpose Cleaning: (Kitchen counters, floors, bathrooms, etc.) Dilute 2 ounces of **Del-Val Orange** with 1 gallon of water, adjust concentration depending on desired task.

Grease Traps: For traps under 20 feet capacity, pour or pump 5 ounces daily into grease trap. For larger traps add 8–10 ounces daily.

Pet Odor Control: For indoor use, dilute 1 ounce of **Del-Val Orange** with 1 gallon of cold water. Apply through a sprayer to odor source. For outdoor use, dilute 2 ounces of **Del-Val Orange** with 1 gallon of cold water and follow same procedure. **Do not use directly on pets.**

Remove Stains from Natural Fiber Clothing: To remove oil, grease and food stains from clothing, pour **Del-Val Orange** on cloth and apply to soiled area. Wash with detergent as usual. If spot remains, repeat process.

Rug & Upholstery Spot Removal: To remove oil and grease, pour **Del-Val Orange** on sponge or cloth and apply to soiled area. Blot soiled area with sponge or cloth. If spot remains, repeat process. To remove chewing gum, blot **Del-Val Orange** on gum and let stand for 2 minutes. Use a tongue depressor or the dull edge of a knife to scrape off.

Shower & Tub Soap Scum Removal: Ideal for removing soap film incrustation on walls of shower and tub. Apply with sponge, allow to stand 1–2 minutes. Agitate, if necessary, and rinse off.

Tile & Tub Cleaning: Sponge, mop or brush on surface. Let stand 2–3 minutes, agitate and rinse with clean water.

Tire Mark Removal: Apply with mop, sprayer or brush. Allow to stand 1–2 minutes. For best results agitate the area while **Del-Val Orange** is penetrating. Hose off with water and squeegee or vacuum dry.
